How About Now

We are born dying,
which is one way to look at it.
Another is to wake up knowing
we are made of impossible things:
crystal caves, singing dunes,
dark matter held in mortal hope.

It's true, time has a way
of making lists and ledgers.

You say you want a garden,
beds of lavender and daffodils.
You say we have a lifetime.
Love, we're in our lifetime.
How about now?

The 2026 National Church life Survey (NCLS) is underway, and Leura UC is a participating church. We pay as a church for our involvement, so it would be good to have surveys completed by as many people who attend worship and/or other groups in the church as possible.

NEXT Sunday November 1st is the designated day for us to complete surveys. **If you are attending worship next Sunday (November 1st), no problem.** You can complete the form on site. It will take 15-20 minutes. **If you cannot attend next week you can still do the survey. There are two ways to do that. (1)** Hard copies are available from Stephen White or Mark Hillis, or **(2)** Fill the survey in, online, using the following link, and using the Leura Uniting Church portal. That is

<https://attendersurvey.ncls.au?ccode=UA1A1003>

Call **0408 412 414** (Mark) if you have any questions.
